

**FISH HATCHERY TECHNICIAN
FISH PROGRAM, HATCHERIES
Cedar River Hatchery**

Open: July 23, 2010Closes: August 17, 2010

Positions: 6 Non-Permanent Fish Hatchery Technician positions

Duration: 3-5 months

Anticipated Start Date: September 8, 2010

Salary: Range 26 (\$1929.00-\$2482.00 per month DOE)

Duty Station: WDFW Cedar River Hatchery; Ravensdale, WA (King Co.)

Schedule: Full time; Hours and Schedule may vary

Description: The WDFW Cedar River Hatchery will have 4 Temporary Hatchery Technician positions lasting approximately 3 months and 2 Temporary Hatchery Technician position lasting approximately 5 months starting September 8, 2010. The Cedar River Hatchery raises sockeye salmon at a temporary, interim hatchery in the Lake Washington basin. Applicants must be willing to work outside in variable weather conditions, be comfortable wading and working in a river, be able to safely and comfortably drive a 350 gallon tanker truck (does NOT require a CDL), work cooperatively with others, and perform a variety of physically demanding duties. These positions may require standby and there are temporary living quarters (travel trailers) available to facilitate the standby requirements.

Qualifications: High School graduation or GED. Some positions require a valid driver's license.

Closing Date: 8/17/2010 - Please pass this on to anyone who may be interested but does not have email.

Applicants should send a state application and a resume to:

Cedar River Hatchery
PO Box 829
Ravensdale, WA 98051
